Projects

Tubed Courtyard Restaurant ⧉
HTML, CSS, Tailwind CSS, JavaScript

I developed the website for Tubed Courtyard Restaurant, focusing on a visually appealing design and user-friendly functionality. The site highlights the restaurant's ambiance, menu, and services to enhance the customer experience.

Portfolio Website
React Js, Tailwind CSS

I created my portfolio website to showcase my skills, projects, and achievements in a professional and interactive way, reflecting my expertise in web development and design.

Blinkit
React Js, Tailwind CSS

I developed a Blinkit page using React Js and Tailwind CSS, implementing full functionality such as product add, edit, delete, and add-to-cart features for a seamless user experience.
